"I never dreamed I would one day graduate in three-and-a-half years. In fact, at one time growing up, I didn't think I ever would be in college. I'm so glad I did. It wasn't that hard. You just had to get here, work hard, go to study hall and do what you had to do to graduate. You just take charge and you can do it. I'm proud of what I've accomplished."

Academic Program Advisor

Men's Basketball Academic Advisor

From the moment a recruit first walks on to the campus to the moment an athlete graduates with diploma in hand, the academic services provided are outstanding. For the first year at the Capstone, freshmen and junior college transfers are required to attend nightly study halls. After that, the attendance is based on the individual's GPA and study needs.

All of these services begin with the recruit's first visit. The advisors set up individual appointments within the department of the recruit's area of study and accompany them to the meeting. They give the recruit a tour of the campus and go over services provided by CASS.

The CASS staff works as a liaison between the Athletic Department, undergraduate divisions, and administrative office of the university. The staff offers career advice and counseling, makes sure all athletes are maintaining satisfactory progress toward their degrees and monitors academic eligibility.

Robert Horry

**7-time
NBA World Champion**

"Almost every basketball player's dream is to make it to that next level. Mine was to make it to that next level of education, but at Bama I got both. In the classroom I learned a lot. On the court I played with and against some great players, so I learned a lot there also. What I carry with me the most is the fact it made me a man, a better human being. The time I spent at Bama, the memories I've collected and the people I've met I more than likely wouldn't trade for the world. Roll Tide Roll!"

Mo Williams

**NBA Player
2002 SEC Champions as a Freshman
NCAA Tournament Team in 2002 and 2003
2002 Sporting News National Freshman of the Year
2002 SEC Freshman of the Year**

"Alabama was a great experience for me in getting me prepared for the NBA and in getting me prepared for life in general. I learned how to be independent and live on my own. Living away from home in the apartment on campus helped prepare me for life and living on my own. And my teammates and the friends I made at Alabama made it fun being there. It was the best experience. I had coaches there who cared about me, who still care about me as a person, and who are great coaches. They helped me improve, helped me be ready to make the next step. Coach Gottfried and Coach Pearson still keep up with me, still check on me. I had two great seasons at Alabama. We won the SEC my freshman year and my sophomore year we were ranked No. 1 in the country. We didn't win a national championship while I was there, but at Alabama I got to experience things that other college players will only dream about doing and never experience, things like being ranked the No. 1 team in the country and winning a league championship. Those were special moments in my life and always will be."

Keith Askins

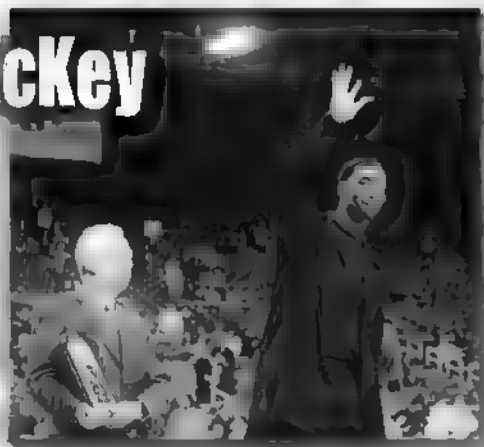

**Assistant Coach for '05 Champion Miami Heat
Miami Heat Player, 1991-2000 & UA Graduate
Starter, UA Basketball 1987-90
1990 Paul Bryant UA Scholar-Athlete of the Year
1989 SEC All-Tournament**

"One of the great things about Alabama is it gives you the best of both worlds. You're playing with and against some of the most talented players in the college game and you are getting your degree. I was fortunate to make the step to the NBA, but I did that with a college degree, so if it didn't work out, I was prepared for whatever the world had to offer. And the friendships that I made at the University are lifetime."

Derrick McKey

**All-American & 1987 SEC Player of the Year
1st Round NBA Draft Pick in 1987
13-Year NBA Veteran
UA Starter, 1985-87**

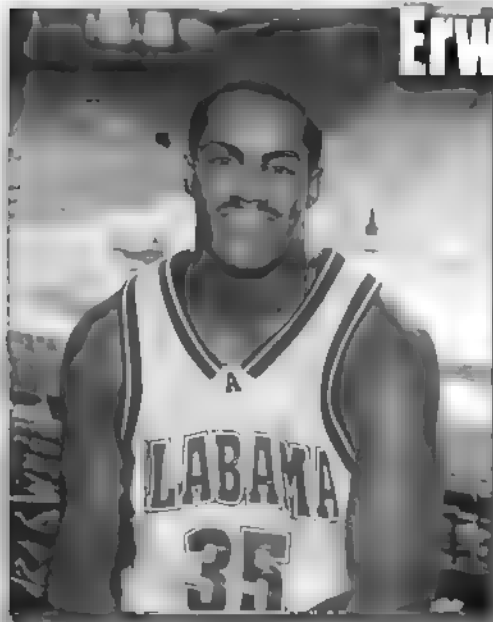

"I enjoyed my time in college. My college years were certainly some of the best years of my life. My college team was probably the best group of guys I have ever played with. We genuinely cared about each other. I have many fond memories. And playing in the always competitive SEC definitely prepared me for the next level, the NBA."

Erwin Dudley

**Professional Basketball Player
2002 SEC Player of the Year
Turkish League MVP Runner-up 2005 & 2006
UA Graduate & 4-year starter, 2000-03**

"Coach Gottfried prepared me well. When I first got there, I never expected to win SEC Player of the Year. But he worked with me and the strength & conditioning coaches worked with me and they prepared me. When I won SEC Player of the Year my junior year it was a big honor for me but one I knew I owed to the coaches and staff and my teammates. It was a great experience being at Alabama for four years, graduating and playing for Coach Gottfried. And they continue to help me. He's been helping me the last few years while I've been playing professional ball. Alabama is a top-notch school. You're not just there for four years. It becomes a part of you. They care about you when you come in as a player and they still look after you after you graduate. They've looked after me and helped advise me in so many different situations after I graduated, in my playing career and in my life and I thank them for that."

Antoine Pettway

**2002 SEC Champion
2004 NCAA Elite 8**

"Alabama Basketball has a great tradition, and I'm proud I was able to help add to that tradition as a player and now I will have the opportunity to help add to many more great moments on the basketball court for Alabama as a coach. Coach Gottfried was always able to coach and bring out the best in me and my game, and I'm looking forward to working with the players on the Alabama team. One of the things I've always been proud of is the class of players Alabama has on its team, year after year. They are talented players who work hard and play well and they conduct themselves with class off the court."

Maximizing potential is the goal to the conditioning program at The University of Alabama. The Tide's 22,000 square-foot weight room consists of 24 platforms attached to state of the art racks with Elike bars for power cleans, snatches, back squats, front squats, split jerks and bench press.

"I can tell I'm stronger and quicker. I was the smallest big man at the USA U18 team trials in July, so for me to be the smallest, I had to have a difference so I was the strongest and I think that's what helped me make the national team. I had gone to first semester of summer school and had been working with Coach (Terry) Jones for that month before I left for the trials, and by the time I went to the trials, I could already feel my body was stronger and I was quicker."

2009 NCAA Division I Men's Basketball Championship

SEC Tournament

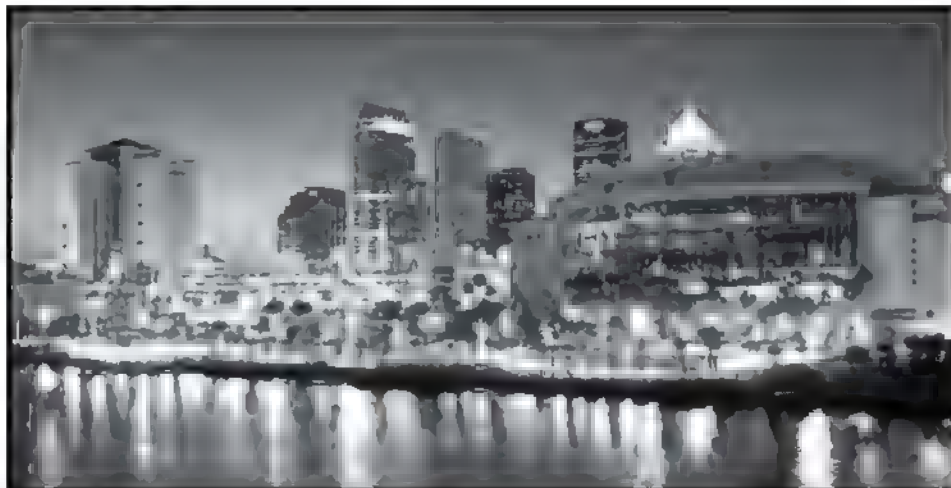

The 2009 Southeastern Conference Men's Basketball Tournament will be held March 12-15, 2009 at the St. Pete Times Forum in Tampa, Fla. It is the first time the tournament has been held at this venue.

Originally opened as the Ice Palace in 1996, the St. Pete Times Forum is located along the Garrison Seaport District downtown. It is home to the Tampa Bay Lightning of the NHL. It hosted an NCAA Basketball regional in 2008. It has a basketball seating capacity of 20,500.

All 12 Southeastern Conference teams gather annually to participate in the SEC Tournament. The winner of the 11 game tournament receives the SEC's automatic bid to the NCAA Tournament. The tournament seeds, conference championship and division titles are determined by the 16-game conference schedule during the regular season. Teams are seeded by their divisional finish and features Eastern Division-Western Division matchups in every game should the higher seed win each contest.

Atlanta served as host of the inaugural SEC Tournament played following the 1932-33 season and did so again after the 1933-34 season. The event was held every year through 1952, with the exception of 1935. After a 26-year layoff (1953-78), the tournament was renewed in 1979.

The 2009 tournament will be the 50th in league history and the 31st since the renewal.

The SEC has shown extraordinary balance in the tournament, evidenced by the fact that a different school won the first seven titles after the renewal. The event has helped set the stage for SEC teams in the NCAA Tournament, as 22 of the last 29 tournament champions have advanced to at least the Sweet 16 with five of the last 13 going on to win the national championship. Since the renewal in 1979, the SEC Tournament Champion has failed to win at least one NCAA Tournament game only three times.

Kentucky leads the league with 25 SEC Tournament titles. Alabama is second with six, while Tennessee ranks third with four, Florida three and Mississippi State and Georgia have two championship trophies. Arkansas, Auburn, LSU, Ole Miss, Vanderbilt and former league member Georgia Tech have each won one SEC Tournament championship.

All-Time All-SEC

From 1933-53, the All-Southeastern Conference team was based on play in the SEC Tournament. In 1949, the Associated Press began a separate All-SEC team. In 1957, the SEC coaches chose an all-star team following the regular season, a trend that continues. UPI picked an All-SEC team from the 1966 season through 1991.

Mykal Riley's eight 3-point shots (of 12) against Florida in 2008 tied UA's SEC tournament record. The following night his 3-point shooting, including a buzzer-beater that sent the game into overtime, made him a hero. Minutes later, as the overtime began, a tornado struck the Georgia Dome, perhaps making Riley a lifesaver as fans would have been exiting the building had he not made the shot to send the game into overtime.

1930 Southern Conference Champions (20-0)

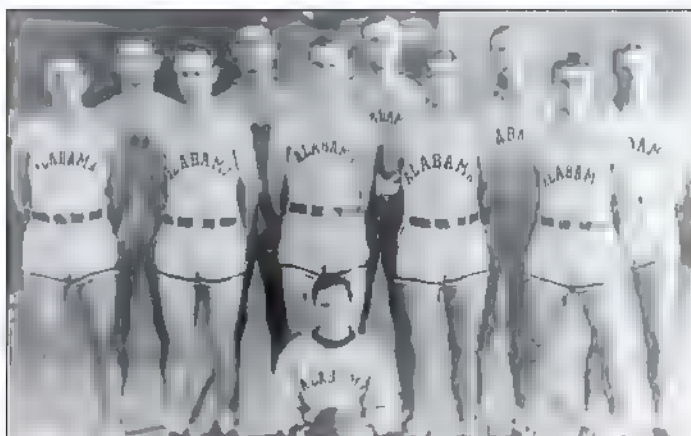

Head Coach: Hank Crisp

James "Lindy" Hood, Ed Kimbrough, Stewart Aiken, Leo O'Neill, Earl Smith, Malcolm Laney, Walter Laney, Paul Munkasey, Fred Wombsgans, and Milton Pullen (Mgr.).

The only undefeated basketball team in the history of Alabama basketball... Captured the Southern Conference tournament championship with a 31-24 win over Duke in Atlanta... Also beat Clemson, Georgia and Tennessee in tournament play... Posted a 12-0 record at home and an 8-0 mark on the road. James "Lindy" Hood was Alabama's first All-American and the first to come out of the Southern region... When Hood was selected All-America, only five players were selected, and Hood was that team's center.

JAMES "Lindy" HOOD

Collinsville

3L • 1929-30-31

- Although complete statistics are not available on Hood, he was not only Alabama's first All-America but the first All-American ever named from the entire Southern Region.
- Hood was named All-America in 1930, the year the Tide went 20-0, the only undefeated season in Alabama basketball history.
- When Hood was selected All-America, only five players were chosen nationally. Hood was the All-America team's center.
- The Collinsville, Ala., weekly newspaper wrote on Hood's All-America selection, "we have a boy from our midst that we should all be duly proud, our own Lindy Hood who was chosen as one of the best boys of the entire United States to play center in basketball."
- Hood was nicknamed "Lindy" because of his striking resemblance to then hero of the day Charles Lindbergh. Hood was mistaken for Lindbergh while walking through a New Orleans airport and onlookers flocked to get his autograph.

The Tuscaloosa Tip-off Club

The Tuscaloosa Tip-Off Club was first organized by Basketball Hall of Fame member and former Tide head coach C.M. Newton during the 1968-69 season and is going strong as ever 40 seasons later.

The Tip-Off Club sponsors the team's end of the year awards banquet and a preseason "Meet the Team" barbecue as well as a number of other projects.

The highest membership level lets members attend luncheon meetings several times during the season. These luncheons allow members a one-on-one opportunity to chat with Bama's basketball staff, ask questions, and hear first-hand about Crimson Tide and SEC Basketball from Tide coach Mark Gottfried.

Basketball fans can join anytime by writing: Tuscaloosa Tip-Off Club, P.O. Box 20461, Tuscaloosa, AL 35402

He is the only Tide male basketball player to break the 2,000 points milestone. Three Alabama women's players, Dominique Canty (2,294), Wiesa Johnson (2,134) and Carol Smith (2,028) have reached that mark. King saved his best scoring for last, amassing 747 points his senior season in 1979, the single season school scoring record.

* Jerry Harper and James Robinson (1991-93) are the only two players to reach the 1,500-point plateau in less than 80 games. Both scored 1,813 points in 79 games.

* James Robinson, who left after three seasons to enter the NBA, is the only Tide player to score 1,000-points by his sophomore year, scoring 1,215 points by the end of his second season.

President Dr. Robert E. Witt

The University of Alabama

As president of The University of Alabama, Dr. Robert E. Witt has committed the University to an ambitious plan for growth and achievement. His goals include increasing enrollment to 28,000 students by 2010 and stimulating significant growth in research in support of economic expansion for the state and nation. Under his leadership, enrollment has reached record levels and academic quality has increased significantly. The University ranks 12th nationally among public universities in the enrollment of National Merit Scholars and leads the nation in the number of students named to USA Today's All-USA College Academic Teams. Since its inception in 2003, the University's Honors College has grown exponentially, enrolling more than 1,000 freshmen in 2007. Dr. Witt has also led a major building program on campus with 20 new facilities opening in the last five years. Private giving to the University is at an all-time high with supporters embracing the "Our Students. Our Future." capital campaign and its major goal of improving scholarship opportunities for deserving students.

Dr. Witt's vision for the University of the future has three cornerstones:

- To be a university of choice for the best and brightest students;
- To be a student centered tier-1 research university;
- To be an academic community united in its commitment to enhancing the quality of life for all Alabamians.

Now in his sixth year as president, Dr. Witt came to UA with 35 years experience in the University of Texas System. He received his B.A. in economics from Bates College, his M.B.A. from Tuck School at Dartmouth College, and his Ph.D. from Penn State University. He currently chairs the board of directors of the West Alabama Chamber of Commerce, serves on the board of directors of the Black Warrior Council Boy Scouts of America and is a member of the Tuscaloosa County Industrial Development Authority. Dr. Witt and his wife Sandee have two grandchildren.

(Right) Seven Students Named to USA Today's All-USA College Academic Team – Seven University of Alabama students were named to the 2008 USA Today All-USA College Academic Team, the most of any school. This year's team brings UA's total for the last six years to 31, a figure that tops all other colleges and universities. In addition to this year, UA had the most students on the list in 2006 with six and in 2005 and 2003 both with five. In 2007, UA tied with Washington University St. Louis for the most team members with four. In 2004, with four students on the team, UA came in second only to Harvard. Pictured (L R) are Renee Rivas, Jackson Switzer, Dana Lewis, Dylan Whisenant, Adam Harrison, Michelle McGaha and Alex Flachsbart.

"The University of Alabama has never been stronger. Our academic programs continue to prosper. Almost one quarter of this year's entering freshman class enrolled in Honors College. This group scored in the top 2 percent nationally on the ACT, and they have extraordinarily strong high school records. The research activity of our faculty has grown significantly and our service to our community and state has never been more substantial. Our capital campaign continues to make excellent progress toward our \$500 million goal which will be surpassed ahead of schedule. The future of our University is very bright." – President Dr. Robert E. Witt

As a permanent tribute to Director of Athletics Mal Moore's lifetime contributions to The University of Alabama, the Board of Trustees of The University of Alabama officially dedicated the facility formerly known as the Football Building as the Mal M. Moore Athletic Facility on March 28, 2007.

Normally, the naming of a building in your honor would serve as a fitting end to an outstanding career, but Mal Moore's ongoing vision remains focused on two primary objectives: elevating athletic facilities at the Capstone to premier status nationally for all sports and making all Crimson Tide athletic teams competitive at the highest level nationally.

Moore's distinguished record of service to UA began 50 years ago when he joined the Crimson Tide football squad as a scholarship player for Coach Paul "Bear" Bryant from 1958-62. He earned a bachelor's degree in sociology in 1963 and a master's in secondary education in 1962. Moore has the distinction of earning seven national championship rings during his career as a player and coach, the first as a member of the Crimson Tide's 1961 national championship team.

During his coaching tenure, Moore served as Coach Bryant's graduate assistant in 1964, then as defensive backfield coach for five years beginning in 1965 before becoming quarterbacks coach from 1971-1982, and taking on additional responsibility as the Tide's first offensive coordinator in 1975. He is the only individual connected with the Alabama coaching staffs, both past and present, to be a part of seven national championships (1961, 1964, 1965, 1973, 1978, 1979, and 1992). After coaching stops at Montana State, Notre Dame and the NFL's St. Louis and Phoenix Cardinals, Moore returned to Alabama, and was named assistant athletics director in 1993 and associate director for external affairs in 1994. He was named director of athletics on Nov. 23, 1999.

Three elements of his story make Mal Moore deserving of a special place in UA athletics history. First, he has been a part of seven national championship football teams (as a player and coach). Second, he's been the leader who brought the UA athletic program into the 21st century in terms of facilities and staffing. Third and, perhaps most importantly, his love for the University of Alabama is unsurpassed.

Now in his 10th year as the Tide's Director of Athletics, Moore made an indelible mark on one of the nation's most storied athletic programs. Alabama's athletic teams have excelled in competition and he directed completion of a \$125 million facilities campaign that revitalized the Crimson Tide's athletic facilities. Moore's leadership, vision and initiative enabled the monumental project to reach fruition.

Alabama football competes in the newly expanded Bryant-Denny Stadium which holds 92,138 fans, the seventh-largest on campus facility in the nation. With the north end zone expansion completed, this magnificent edifice now houses 120 skyboxes, a new home team locker room, a club level area hosting 1,680 patrons, a new administrative level and ap-

proximately 6,800 additional upper deck seats.

Moore's tenure at UA has been marked by unprecedented facility growth for the athletic department but he has also had a national impact as a key member of several prestigious NCAA and college football committees. Moore currently serves on the NCAA Division I Football Issues Committee, the SEC Athletic Directors Bowl Advisory Committee and on the Big Six Conferences Minority Coaches Forum.

Alabama student-athletes utilize new stadiums for soccer and tennis and football enjoys use of a state-of-the-art weight facility, locker room and sports medicine area and a Hall of Champions and administrative area that makes it one of top venues in the nation. Crimson Tide student athletes also benefit from a state-of-the-art academic center completed in early 2005. Also completed in 2005 was a \$22 million renovation of Coleman Coliseum.

Moore's leadership was crucial in helping guide Alabama through a period was, at times, extremely difficult. His guidance and efforts helped Alabama athletics weather the storm, while continuing to move in a positive direction toward a future that holds great promise to shine as brightly as Alabama's storied past.

Under Moore's direction Alabama's athletic teams have produced a number of Southeastern Conference titles, including men's basketball, gymnastics, baseball and softball and SEC tournament titles in both baseball and softball, and an NCAA gymnastics title. Alabama athletes have earned some of the highest honors the SEC and NCAA have to offer, including SEC Athlete of the Year, SEC Scholar-Athlete of the Year, NCAA Top VIII, NCAA Postgraduate Scholarships and

NCAA Sportsman of the Year. These honors are over and above the individual conference and national titles that Alabama athletes continue to bring home to the Capstone.

During his tenure, Moore has also supervised the completion of a number of other facility projects, highlighted by the expansion of Sewell-Thomas Stadium; new lighting systems for Coleman Coliseum, Sewell-Thomas Stadium and the women's soccer field and installation of new artificial turf in the Hank Crisp Indoor Practice Facility.

Hired on November 23, 1999, Moore's stint as Director of Athletics is the latest phase of service to the Capstone. Well known in athletic circles, Moore stewards a vision of championships and success via his vast experience in collegiate athletics. As a player and coach at Alabama, Moore was part of seven national championships, 14 SEC championships, and 27 bowl trips.

Alabama capitalized on that background, and Moore's popularity, by naming him as Associate Athletics Director for External Affairs in 1994, a position that required constant travel to speaking engagements around the Southeast. Throughout his multi-faceted career, Moore has worked with a diversified field of constituents, from fellow coaches to former players, to fans and the business community. All those experiences and relationships made him the ideal person to lead Alabama athletics into the 21st century.

A 1963 graduate of The University of Alabama, Moore holds both an undergraduate degree in Sociology and a 1964 Master's Degree in Secondary Education from the Capstone. A scholarship player for Coach Paul W. "Bear" Bryant, Moore was a member of Alabama's 1961 national championship team.

Coaching football for 31 years, 22 of those at Alabama, provided Moore with a wealth of experience and knowledge in the world of college athletics. As a coach, Moore served as Bryant's graduate assistant in 1964 and then Alabama's defensive backfield coach from 1965-70. He served as the Tide's quarterbacks coach from 1971-82 and from 1975-82 took on the additional responsibility and elevated role as the Tide's offensive coordinator.

Alabama won national championships, in 1964, 1965, 1973, 1978, 1979 and 1992 with Moore coordinating all the offensive plays for the last four of those championship teams. He is the only man connected with the Alabama coaching staffs, past or present, who was a member of all seven of those title squads. In addition to Alabama, his coaching career included stops at Montana State, Notre Dame and the NFL's Phoenix Cardinals.

Moore was born December 19, 1939, in Dozier, Ala. He has been married to the former Charlotte Davis of Tuscaloosa since July 20, 1968. They have one daughter, Mrs. Steve (Heather) Cook of Scottsdale, Ariz., a granddaughter, Anna Lee, and a grandson, Charles Cannon.

JIM CARABIN
General Manager
Crimson Tide Sports Network

Bryan Passink, Chris Stewart and Tom Stipe.

The Crimson Tide Sports Network (CTSN) will bring Alabama basketball to basketball fans around the state by radio on the Crimson Tide Sports Network and to fans around the world via the internet with a link through the Tide's official website, www.rolltide.com and on XM Radio.

The CTSN's basketball crew includes Chris Stewart calling the play-by-play and former Tide player Bryan Passink providing color and analysis. Tom Stipe is the producer/engineer for the radio broadcast crew. And Bert Bank, who was responsible for bringing the first college basketball game (an Alabama game!) to the radio airwaves in the state decades ago, is the producer emeritus.

Alabama's basketball broadcasts are produced by the Crimson Tide Sports Network, which is a joint venture between Learfield Communications of Jefferson City, Missouri, and International Sports Properties of Winston-Salem, North Carolina. CTSN is headquartered in Tuscaloosa with Jim Carabin as its general manager. CTSN sales executives include Steve Sikes, Chris Bean and Jay McPhillips.

Game day coverage of Bama basketball begins 30 minutes before tipoff time and includes the pre-game comments of Coach Mark Gottfried. After each

game, the crew talks with coach Gottfried and a Bama player who made an impact on the game.

"HEY, COACH!"

It's the greeting Bama fans typically use to open the call: "Hey, Coach," and that's also the name of CTSN's weekly coaches' call-in show. From August through November 27, "Hey, Coach!" airs every Thursday night from 6:30 to 8:00 p.m. CT. The show moves to Monday nights from 6:00 to 7:30 p.m. CT beginning on Monday, December 1. Tom Roberts plays host to the show live at Buffalo Wild Wings in Tuscaloosa. Coach Mark Gottfried joins the show during the basketball season to answer questions from Bama fans on the phone and at the restaurant. Bama players often join the show.

"The Mark Gottfried Show"

Basketball fans get an insider's view each week during the season on "The Mark Gottfried Show." The Tide's head coach offers insight on Alabama's week, previewing the games ahead and reviewing the games just played. Chris Stewart is the host of the 30-minute show. The show airs December 7, 2008 through March 8, 2009. It will air Sunday's at 10:30 p.m. CT on Birmingham's CBS-42, Sunday's at 10 p.m. on Montgomery's

WNCF-32, Monday's at 6:30 p.m. on Tuscaloosa's WVUA, Wednesday's at 4 p.m. on Comcast Sports Southeast, and Thursday's at 3 p.m. on CSTV.

"Crimson Tide This Week"

Bama fans can see more of the Tide each week on CTSN's 30-minute weekly television show, "Crimson Tide This Week." Chris Stewart hosts this weekly look at all the Tide's teams with emphasis on basketball from November through the NCAA Tournament. In 2008-09 the show airs August 14, 2008 through April 30, 2009 on Birmingham's CBS 42 Saturday at 11am. The show will also air on Comcast Sports Southeast, WVUA 7 Tuscaloosa and WNCF 32 Montgomery.

Rules Compliance

A REPRESENTATIVE OF ALABAMA INTERESTS IS SOMEONE WHO...

- Has ever made any type of financial or in-kind contribution to the athletics department, to a specific sport program or to an athletics booster organization, including purchasing donor seating to athletics events (i.e., Tide Pride Football or Tide Pride Basketball)
- Is or has been a member of any organization or agency promoting University of Alabama athletics (i.e., Red Elephant Club, Grand Slammers, etc.);
- Has ever helped to arrange or has provided employment for an enrolled student-athlete, a prospective student-athlete or their parents or relatives;
- Has ever assisted in any manner in the recruitment of prospective student-athletes;
- Has ever provided benefits to enrolled student-athletes or their families or to prospective student-athletes or their families;
- Has otherwise promoted the institution's athletics program in any manner.

You must know that some of the actions noted above that would make you a representative of the University's athletics interests are violations of NCAA rules.

What About Recruiting?

As a representative of Alabama's athletics' interests, you may not:

- contact a prospect's coach, principal or counselor in an effort to evaluate a prospect
- visit the prospect's institution to pick up film or transcripts pertaining to the evaluation of the prospect's academic eligibility or athletic ability
- contact a prospect, his/her parents, legal guardians or spouse on or off the Alabama campus
- contact a prospect by telephone or by letter
- make special arrangements for entertainment for recruiting purposes
- provide reduced cost products or services to a prospect

Who is a Prospective Student-Athlete?

NCAA rules stipulate that a prospective student-athlete is a person who has started classes for the ninth (9th) grade, regardless of his/her athletics ability.

- A prospective student-athlete remains a prospect even after he or she has signed a National Letter of Intent or accepts an offer of financial aid to attend The University of Alabama until he/she reports for the first day of classes for a regular term (fall or spring).

What are Extra Benefits?

NCAA legislation expressly prohibits University supporters from providing "extra benefits" to student-athletes. An extra benefit is any special arrangement to provide a student-athlete or his/her family a benefit not authorized by NCAA legislation. In general, you may not provide anything or make special arrangements for student-athletes or prospective student-athletes that are not available to the general student population.

Examples of prohibited "extra benefits" include, but are not limited to:

- providing cash or loans in any amount, or signing or co-signing for a loan
- a guarantee of bond
- the use of an automobile
- gifts of any kind, including birthday cards, flowers and holiday gifts
- gift of clothing or equipment
- providing loans to relatives or friends
- any tangible items, including merchandise
- free or reduced-cost services, rentals or purchases of any type
- free or reduced-cost housing
- gift of cash or like items
- providing special discounts for goods and services (e.g., car repairs, legal services, haircuts, etc.)
- purchasing complimentary admissions from a student-athlete
- providing an honorarium to a student-athlete for a speaking engagement

What about Student-Athlete Appearances & Promotions?

Student-athletes are prohibited from being involved in the advertisement, recommendation or promotion of sales or use of any commercial product or service of any kind.

All charitable, educational and nonprofit promotional activities involving student-athletes must have prior approval from the athletics department. All student-athlete appearances for such events are coordinated through Bama's Life Skills Office. For information, please call (205) 348-6618.

What about Student-Athlete Employment?

Student-athletes receiving athletics grants-in-aid will be eligible for employment during the regular academic year. Student-athletes will continue to be eligible for employment during the University's official vacation periods (i.e., Christmas, Spring Break) and during the summer.

Very detailed rules regarding which student-athletes may be employed, when and how much money they can earn must be followed. In addition, the Athletic Compliance Office must keep written records verifying all student-athlete employment.

If you have an interest in hiring a student-athlete, you must first contact the University's Compliance Office prior to employing the student-athlete. Failure to contact the Athletic Compliance Office prior to employing a student-athlete could jeopardize the student-athlete's eligibility to participate in intercollegiate athletics at Alabama and could result in an NCAA violation for the student-athlete's sport.

What are the rules governing gambling?

A student-athlete, coach and/or employee of The University of Alabama may not provide information to individuals involved in any type of organized gambling concerning sporting events. In addition, student-athletes, coaches and employees of The University of Alabama may not solicit or accept any wager on any intercollegiate or professional athletics contest.

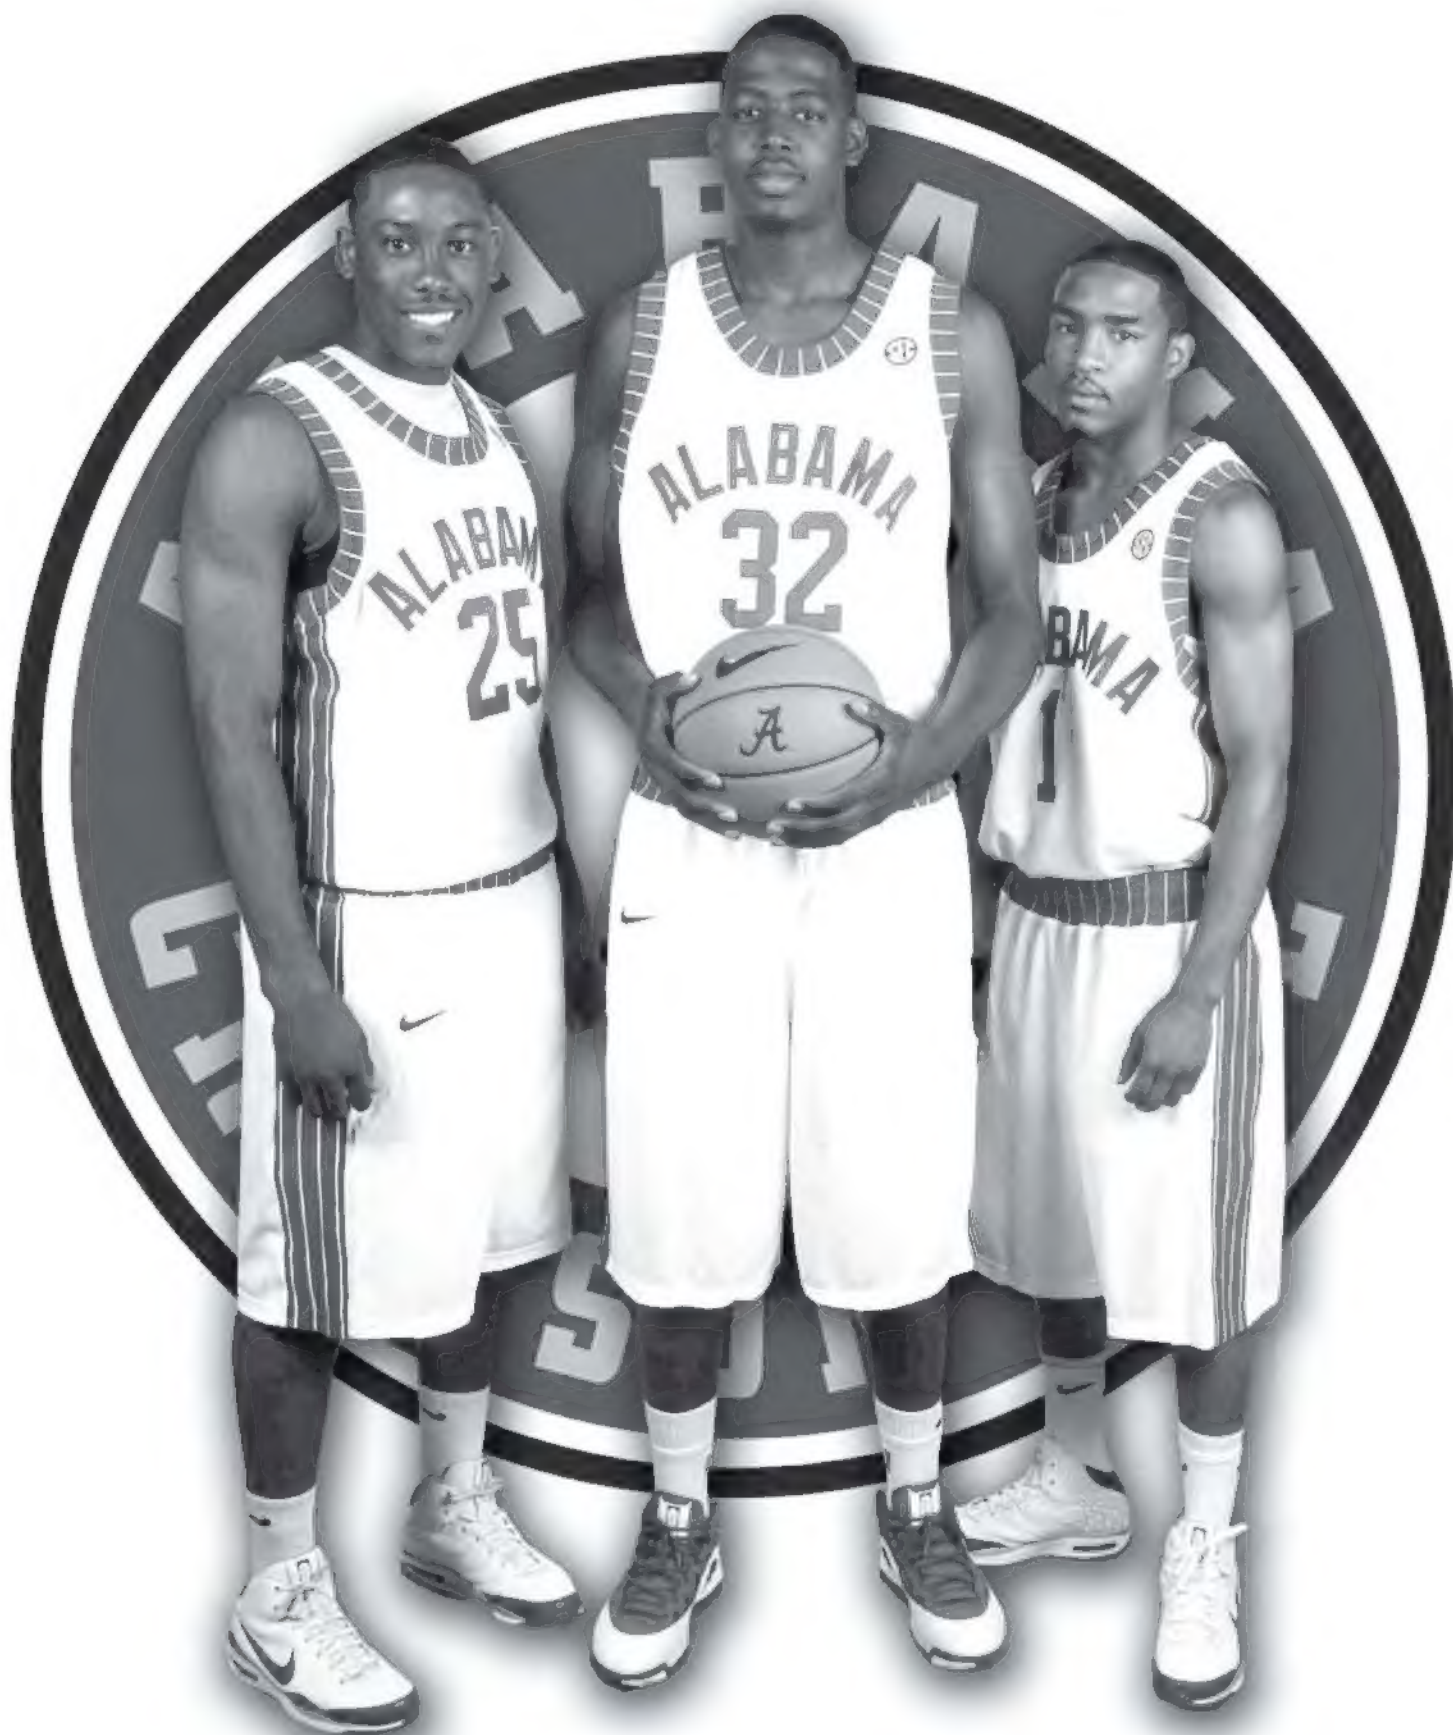

What are the consequences to boosters for NCAA violations?

The University of Alabama is required by NCAA regulations to notify boosters of consequences regarding rules violations. Boosters found in violation of NCAA rules are subject to losing benefits and privileges, including season tickets.

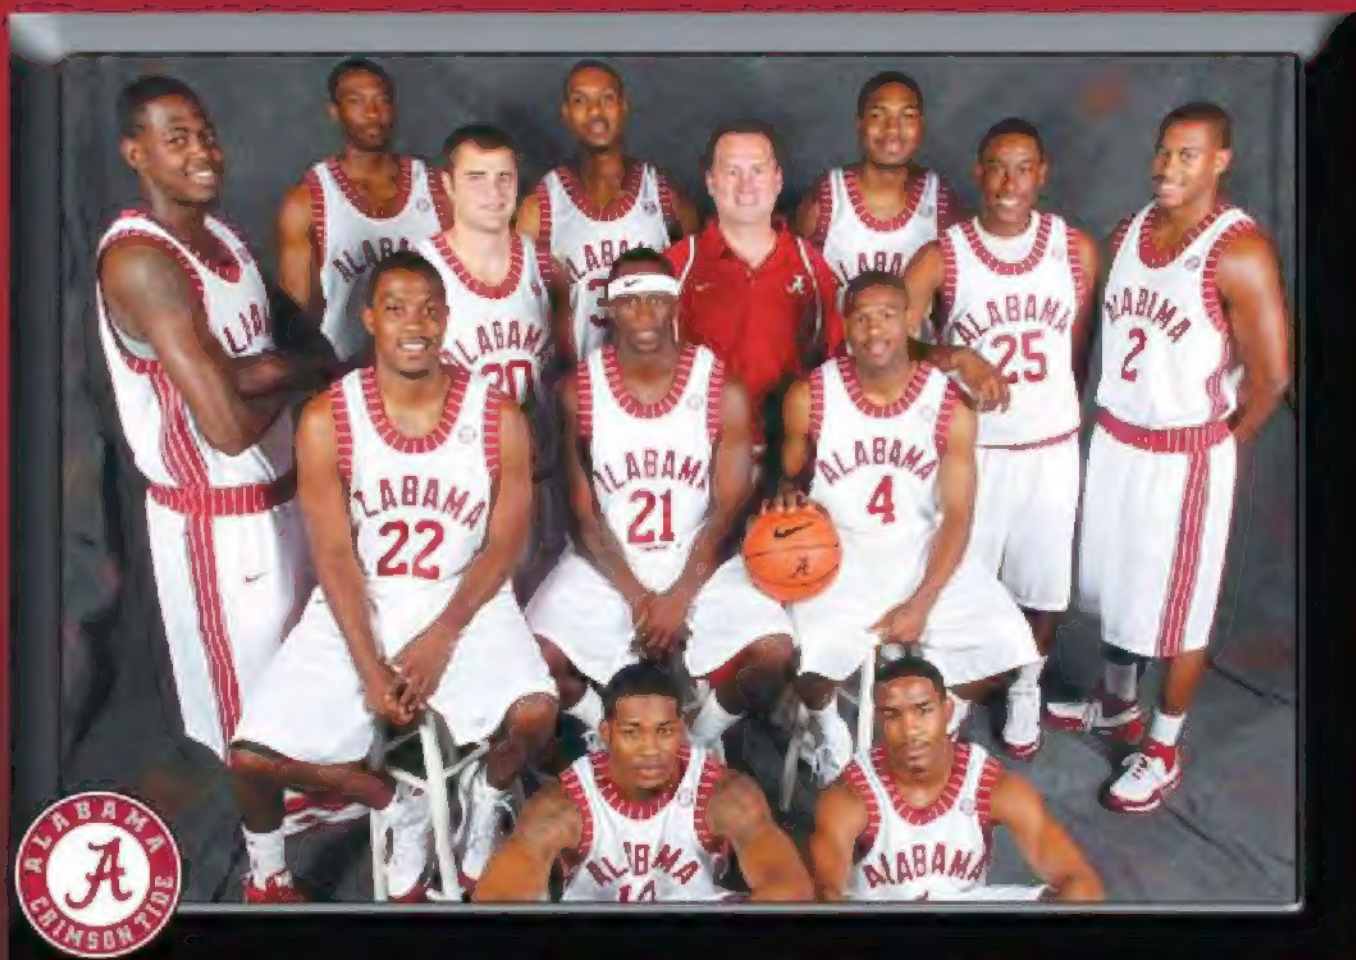

For more information about rules compliance contact Mike Ward, Assistant Athletics Director for Compliance or log on to www.rolltide.com/compliance.
